KISHINCHAND CHELLARAM LAW COLLEGE

HYDERABAD (SIND)
NATIONAL COLLEGIATE BOARD

Dr. Kavita Lalchandani
B.Sc. LL.M., NET, Ph.D.
Principal

HSNC Board's Kishinchand Chellaram Law College has state-of-the-art infrastructure and provides updated ICT tools for innovative and effective teaching learning process. ICT tools aid in making the process more student centric and enjoyable resulting in efficient and effective learning experience for students. Teachers can also explain the concepts through the use of varied tools for better understanding. ICT tools complement the traditional method of teaching.

HSNC Board has made available the facility of Recording Room for all colleges under the HSNC umbrella.

The College has the required resources like ICT enabled classrooms with Smart boards and LCD Projectors, Wi-Fi connectivity and subscribed e-resources. The College has a 300 Mbps leased line for both wired and Wi-Fi Internet connectivity. There are computers for students in library with Internet connectivity. All teachers have been provided with desktop computers with Internet connectivity. They use software like MS Office including PowerPoint presentations, various free and subscribed e-resources, and platforms like MS Office, MS Teams, G-Suite, Zoom, Google Meet, etc. for webinars and programs. Dedicated e-mail ids have been created for submission of assignments. The library has created a Digital library website which is a single point access to all the free and subscribed e-resources. Printing facilities are available in the library and the office. Printers are also available in the Teaching Staff Common Room.

The faculty are trained for using the ICT tools effectively and are encouraged to update their ICT skills. The methodologies used for teaching learning and for conducting various co-curricular and extra-curricular activities incorporate the use of ICT tools. Teachers and students use e-mail and messaging app for speedy and convenient communication.
