

Kishinchand Chellaram Law College, GREEN CLUB

Sustainable Environment Awareness Program

REPORT

Date: 2nd October 2023

Location: Ulhasnagar, Thane

Number of Participants: 09

On 2nd Oct 2023, an Environment Sustainability Awareness Program in Ulhasnagar, Thane was organized by Green Club members. The program aimed at raising public awareness on environmental sustainability. It featured presentations by Green Club Members, covering climate change, renewable energy, waste reduction, and conservation. Interactive posters were used to enhance understanding, and local sustainability initiatives were showcased. The program concluded with a call to action, urging attendees to adopt sustainable practices, providing resources and guidelines. The Awareness Program was a significant success, leaving participants informed and inspired. The program's education, interaction, and community engagement efforts contributed to ongoing environmental protection and sustainability initiatives. Nine students from the College participated in the activity.
