

Kishinchand Chellaram Law College, GREEN CLUB

Workshop on Functioning of Green Club

With Reference to Water Conservation & E-Waste Management

REPORT

Date: 17th October 2023

Location: Kishinchand Chellaram Law College, Fort

Number of Participants: 70

The Green Club at Kishinchand Chellaram College of Law in Mumbai organized a workshop on "Functioning of Green Club with reference to Water Conservation & E-Waste Management" on October 17, 2023 at 11:00 am to 12:30 pm. The object of the workshop was to guide the Green Club members as to their role in the mission of protection of environment. The Resource persons for the Workshop were Mr. Vijay Sapkal, District Coordinator for Mumbai and Palghar, Centre for Environmental Education Pune and Mr. Avdhut Abhyankar, Project Officer, Centre for Environmental Education, Pune. Both the resource persons addressed the water crisis in India, emphasizing daily water wastage and promoting practical conservation. They discussed various environmental activities that can be conducted by the students. Information was also shared on various Apps and youth engagement programs. The workshop inspired the participants to contribute to environmental preservation for future generations. The workshop was attended by 70 participants.
