

Sapling Plantation Drive

REPORT

Date: 18th August 2023

Time: 11:30am- 12:30pm

Location: Baby Garden, Agripada, Mumbai Central

Number of Students: 11

Sapling Plantation drive was conducted by 11 Students of Environment and Nature Club of the College at Baby Garden in Agripada, Mumbai Central on 18th August 2023 with the permission and assistance of BMC. The activity resonated with the notion that by taking incremental measures towards our goals, we generate momentum that ultimately propels us towards achieving more substantial progress over time. The Sapling Plantation Drive marked a resounding success, with dedicated efforts of students working closely with BMC officials. The drive was rooted in the profound principle of embracing the significance of small steps for protecting the environment. The drive sensitised the students and inspired them to plant more trees and take care of the saplings planted for a greener cleaner Earth.
