Report on Visit to Maharashtra Water Resource Regulatory

Authority, Mumbai

Date: 28.08.2023,

Location: MWRRA Headquarters in Cuffe Parade, Mumbai-400005.

Number of Participants : 20

Environment and Nature Club of the College arranged a visit for students to Maharashtra Water Resources Regulatory Authority (MWRRA) on 28th August, 2023 at 1.00 pm. The object of the visit was to understand MWRRA's operations, policies, and initiatives for efficient water resource management and thus have experiential study of Environmental Law. This visit was attended by 20 students of the College along with Teachers in-charge Dr. Kiran Sharma and Ms. Megna Devkar.

The students were welcomed by the staff of MWRRA who escorted them to the meeting room where Dr.Mrs. Sadhana Mahashabde addressed all the students and informed them about the operations and management done by MWRRA. This was followed by engagement with MWRRA staff to learn about their experiences, expertise, and collaborative endeavours for water resource management efficiency. Then there was an interactive session with the Chairman of MWRRA Dr. Sanjay Chahande, a retired IAS Officer, who provided valuable insights into water resource management, policies, and socio-economic development. The event concluded on an optimistic note with Dr. Sadhana Mahashabde emphasizing the importance of collaborative efforts to address water-related challenges and ensure sustainable resource utilization. The field visit enhanced the understanding of students about MWRRA's operations and its role in water conservation and management.
