#### **Civil Moot Court Problem** **Sachin v. Manish**

Manish and Sachin were long standing acquaintances who regularly had business dealings with one another. On 1st November, 2022, Manish, from his home address in Hyderabad, wrote to Sachin at his address in Bhillai, offering to sell him his Hyundai Verna car, (which he has long admired), for Rs 5,00,000 the offer to remain open until 5th November, 2022. On receiving the offer on 2nd November, Sachin left Bhillai on a business trip to Lucknow. On the 2nd of November, Manish sold the car to Kamal and posted to Sachin a revocation of his offer. This was delivered to Sachin's Bhillai address on 3rd November. On 4th November, Sachin posted an acceptance of the offer from Lucknow, addressed to Manish at his business address, (which was the address from which Manish usually conducted dealings with Sachin) in Kondapur, Hyderabad. It was delivered there on 5th November but as Manish was absent from his office on that day, it wasn't read by him until 6th November. On 7th November, Sachin returned home and read the letter of revocation. Sachin filed a case in the civil court claiming that a

contract had been formed between himself and Manish, in that he had accepted the offer either on 4th November through the application of the postal, or on the 5th November when the letter was delivered to Manish's place of business. Both events took place before the offer lapsed and before Manish's letter of revocation was communicated to him. Hence, Manish selling the car to Kamal was in breach of the contract.

- Students may frame their own issues
- Arguments to be prepared on behalf of plaintiff and respondent
- Relevant judicial authorities to be cited on both the sides.

#### Criminal Moot Court Problem State of Madhya Pradesh v. Rohan Prakash Sharma

Rohan (Accused) and Mita (victim) were working together in a private company. Mita belonged to an affluent family whereas the financial position of Rohan was average. Eventually both fell in love with each other and then they married each other in 2021.

After some time, the attitude of Mita became harsh towards Mita. He started making demands of money from her. He also started putting pressure upon her to ask her parents to purchase a bungalow in the city for them. After some time, he also started asking her to fetch a share for him in the property of her father. Mita did not accept the unjustified demands of Rohan. Later, there were constant verbal altercations between the two. With passage of time, Mita's attitude also changed and she stopped taking care of Rohan and eventually, their altercations took physical form and both started physically abusing each other. On 19 November, 2022, at about 11 pm, a quarrel started between Rohan and Mita. As a shoe and a bottle were hurled by Mita against Rohan, the latter in retaliation and in a fit of rage, threw a heavy statue of metal at Mita, which struck at her head, making her fall unconscious. Rohan took her to the hospital where she was admitted to I.C.U. However, with a great difficulty her life was saved. By the dawn of the next day, a FIR was registered at the nearest police station by Suresh, the cousin brother of Mita. The charges were framed against Rohan under Section 307 r/w Section 498A of the Indian Penal Code, 1890. After a full-fledged trial before the Court of Session, Rohan was acquitted. The State moved the Madhya Pradesh High Court against the acquittal.
