The Hon'ble Prime Minister, in his speech on 15th August 2021 at Red Fort, declared 14th August to be observed as "Partition Horrors Remembrance Day."

The Partition Horrors Remembrance Day has been envisaged to bring to light the agony, sufferings, and pain of millions of people who were sufferers of pain. It is to remind the country about the largest displacement of human population in the last century, which also claimed the lives of a large number of people. To showcase the sufferings of the partition-affected people, a play has been curated by the National School of Drama (NSD).

The script of the play is designed to educate and raise awareness among students about the events of Partition, the impact it had on millions of lives, and the importance of remembering this chapter of our history.
